

- **Support –**

**When in your training course**, you can use the on-screen Help features (e.g., glossary of terms and site search) for information.

You can contact the Course Instructor (Jim Yothment) by email to request assistance.

[Jyothment@fuse.net](mailto:Jyothment@fuse.net)

**For general technical support**, you can [visit our MoreSteam University support section](#), where you can search through our online knowledgebase or send us a support request
